EDUCATION

Sanjivani College of Engineering , Kopargaon
B.Tech in Information Technology

Dec 2021 - Jul 2025
GPA: 3.28

Trimurti College of Art, Commerce and Science , Shrirampur
Higher Secondary Education

Jun 2019 - Mar 2021
GPA: 3.3

SKILLS

Technical : Network Security Management, Firewall Management & Security Monitoring

Tools : Wireshark, Nmap, Kali Linux, Nessus, OpenVPN, Metasploit

Security Frameworks & Protocols : TCP/IP, DNS, DHCP, SSL/TLS, NIST, CIS Controls

Soft Skills : Analytical Thinking, Adaptability, Team Collaboration, Problem-Solving

Operating Systems : Windows, Linux

PROFESSIONAL EXPERIENCE

Kodeo Software Technology Private Limited -
Cyber Security Analyst Intern

- Assisted in monitoring and securing networks against threats
- Worked with the NOC team to analyze real-time network traffic
- Conducted basic penetration testing and vulnerability assessments
- Documented security incidents and recommended mitigation strategies

PROJECTS

Basic Network Intrusion Detection Using Wireshark -

- Captured and analyzed network traffic to identify unusual activity
- Used Wireshark to inspect packets and detect potential security threats
- Reported findings and suggested basic network security improvements

Vulnerability Assessment Using Nessus -

- Conducted vulnerability scans on networks and systems using Nessus to identify security risks
- Analyzed scan reports to detect misconfigurations, outdated software, and critical vulnerabilities
- Verified high-risk vulnerabilities using Metasploit and manual testing techniques

ACHIEVEMENTS

- Master in Cybersecurity and Penetration Testing - Defence Guru Cyber Education Institute
- CCNA (Cisco Certified Network Associate) - Defence Guru Cyber Education Institute
- VAPT (Vulnerability Assessment and Penetration Testing) - Defence Guru Cyber Education Institute
- CEH v13 (Certified Ethical Hacker) - Defence Guru Cyber Education Institute
- Information Security Certification - Defence Guru Cyber Education Institute
- Introduction to Cybersecurity - CISCO
- Networking Basics - CISCO
- Networking Devices and Initial Configuration - CISCO
- SQL Injection Attacks - CodeRed
- Android Bug Bounty Hunting: Hunt Like a Rat - CodeRed
- Cyber Threat Intelligence - IBM Coursera
- AWS Academy Graduate - AWS Academy Cloud Foundations
